TAKES LESS THAN 60 SECONDS! NO FLUFF—JUST CLARITY.

Step 1: Answer These Questions

(Choose the option that best describes your current situation.)

- 01** **How do you spend most of your workday?**
- A. Putting out fires and handling daily tasks.
 - B. Juggling growth strategies and daily tasks but struggling to balance both.
 - C. Making high-level decisions while my team handles the day-to-day.

- 02** **When it comes to delegation, I..**
- A. Do most things myself because no one else can do them as well as I can.
 - B. Delegate some things but still find myself jumping in to fix problems.
 - C. Trust my team to run operations smoothly while I focus on strategy.

- 03** **How do you feel about business growth?**
- A. It's overwhelming—I don't have time to think about scaling.
 - B. I want to grow, but I'm not sure how to do it without working even more.
 - C. I have a clear plan in place and feel confident about scaling.

- 04** **What's your biggest challenge right now?**
- A. Feeling burnt out from working in my business all day.
 - B. Balancing leadership and operations without dropping the ball.
 - C. Fine-tuning my systems to scale without stress.

STEP 2: DISCOVER YOUR MINDSET STAGE

01 **Mostly A's: The Overworked Operator**
You're wearing too many hats, and it's draining your energy. **Quick Action Tip:** Block 1 hour a day for strategic planning—no emails, no client work, just CEO time.

02 **Mostly B's: The Growth-Focused Leader**
You're transitioning into leadership but still caught up in operations. **Quick Action Tip:** Start tracking how much time you spend on operations vs. leadership each week—this will help you identify where to delegate.

03 **Mostly C's: The Strategic CEO in the Making**
You've built momentum, but now it's about optimizing and sustaining growth. **Quick Action Tip:** Identify one system in your business that could be automated or delegated today.
